Forecast for Saturday 15 Aug 2020

Weather: Low cloud over much of the area to start will slowly burn off through the morning to leave a good deal of sunshine in the afternoon. It will feel warm in the sunshine with high UV levels for a time. The low cloud will make a return from the east later this evening and overnight. Light winds throughout.

Chance of cloud free mountain/hill tops above 800m: Low cloud affecting hill tops through the morning and again into the evening but prolonged cloud free skies through the afternoon.

Visibility: Generally good but poor under low cloud at first and again later.
